Umpires will be REQUIRED to SHOW USA Sanction Card & Ohio Concussion Certificate at tournaments.

The fee includes rule book, identification card & very importantly, your insurance coverage which will be sent from the state office or district commissioner.

To avoid costly duplication coverage, this plan pays benefits only after other applicable insurance has been applied. If no other coverage exists, the Umpire Accident Plan will respond as primary coverage. **Umpire must be registered in current year before umpiring games. Carry your ID card at all times. Do not work in leagues or tournaments that are not USA sanctioned, otherwise you will not have insurance coverage.**

For your liability insurance to be in effect, both the teams and umpires must be USA sanctioned.

All umpires must attend a rules interpretation meeting conducted by the State Umpire-in-Chief, District Umpire-in-Chief, member of National Staff or appointed representative in order to officiate in any state or regional tournament.

Umpires that want to be chosen to umpire a national tournament must have attended a National Umpire School within the last five years.
